

AIT Solutions Experts Speak in Chicago

The AIM Expo, Nov. 1-3 in Chicago, IL has engaged the leading industry experts and end-users for a complete showcase of auto ID & mobile IT solutions for the **government**. Learn how you can facilitate data collection and information sharing for AIT- and AMT-driven process agility, operational improvements, and increased performance by harnessing the power of your existing data.

Hear from the following distinguished faculty members, among others:

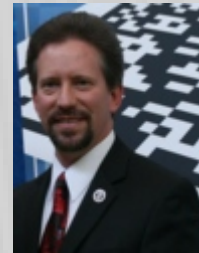

Gus Pagonis
*retired three-star U.S.
Army General, Chief
Logistician, Desert Storm
Gulf War*

Mark Reboulet
*AIT Program Manager,
U.S. Air Force*

David Blackford
*Interim Director, Asset
Visibility, US TRANSCOM*

Robert Leibrandt
*Deputy, UID Policy Office,
USD(AT&L)/DPAP/PDI*

Who Should Attend?
