

## Auto ID Leaders Speak Out in Chicago

The AIM Expo, Nov. 1-3 in Chicago, IL has engaged the leading industry experts and end-users for a complete showcase of auto ID & mobile IT solutions. Learn how you, too, can capitalize on diverse enterprise-wide data collection and information sharing to improve operations, streamline production, reduce costs and maximize business efficiency.

Hear from the following distinguished faculty members, among others:

Kenneth Porad  
*Associate Technical Fellow  
and Program Manager,  
The Boeing Company*

David Dias  
*Director, Asset Visibility,  
US TRANSCOM*

Paula Giovannetti  
*Foundation Data Planner,  
Best Buy Company, Inc.*

Mike Wallace  
*Director, Global Standards  
& Serialization,  
Abbott Laboratories*

### Who Should Attend?
