Tune In & Get Smart...Packaging | Webinar Exclusive

AIM North America just released its latest webinar Understanding Smart Packaging in Connected World, which features leading industry experts who address questions and issues related to smart packaging.

Panelists Andrew Hurley, PhD of the Sonoco Institute at Clemson University, Jeanne Duckett of Avery Dennison and Phil Stafford from Digimarc tackled topics ranging from the evolution of smart packaging to how brands can understand their ROI prior to market launch as well as the benefits of a package that connects consumers to digital information.

View this informative webinar now, or check out the AIM NA YouTube channel for a complete list of programming.

2019 Partnership Breakfast at LIVE! | Sponsor Opportunities Now Available

Get ready! The 2019 event season kicks off in a big way on Wednesday, April 3rd in Phoenix, Arizona when AIM hosts its first Partnership Breakfast of the year during RFID Journal LIVE! at the Phoenix Convention Center. Always a standing-room-only event, this year’s breakfast will not disappoint, and your company can benefit as a 2019 sponsor.

Join Presenting Sponsor Avery Dennison with options that range from $250 to $750 and include benefits well worth the investment. Get all the details here...

Introduce Yourself to a World of Possibilities | NEW Membership Option

AIM member companies around the world have helped advance automatic identification technologies and innovation through networking, education, advocacy, standards and at the hottest industry events for nearly 50 years. Now is the time for you to get in on the action!

For a limited time, AIM is offering an Introductory Membership option for first-time applicants whose company yearly revenue, based on AIDC sales, is (or anticipated to be) less than $3M/year. Enjoy all regular benefits of AIM membership for only $500!*

If you're seeking better corporate visibility along with the ability to have a positive impact on both your business and the industry, act now! Check out the valuable member benefits awaiting you or contact AIM today.

* Membership at the Introductory level is limited to one year. AIM reserves the right to discontinue this special option at any time.

Inside AIM Chapters

AIM Denmark is excited to announce two upcoming events and invites all AIM members and industry partners to attend.

RFID & IoT in the Nordics 2019 | May 23 | Copenhagen
The largest RFID conference in the Nordics will focus on this year’s theme, RFID & IoT: How to make your enterprise intelligent through the use of smart wireless technologies.

For event agenda, registration or other details, read more...

Hi Tech & Industry Scandinavia | October 1-3
This event is expected to attract more than 20,000 visitors and will feature The Smart Company 2019, a collaboration with AIM Denmark and RFID in Denmark that includes The Tracking & Tracing Theatre, where you can experience automated flow, data capture & visualization and encounter new processes one-on-one live.

Check out the event and sponsor opportunities, read more...

Standards Issue | Valuable Insight on Standards Today

Don Kimball serves as the "voice" of standards for AIM. His column, Standards Issue, addresses inquiries or the latest happenings in the world of standards that you need to know.

Technical versus Application Standards
The old joke says that the best thing about standards is that there are so many to choose from. And in a way, that is true. Looking just at the bar code world, you see all those different shapes and sizes. The picket fence variety all the way up to read more...

Are You In It?

Have you seen the 2018 AIM Year in Review yet? Don’t miss this annual review of AIM’s efforts and impact on the global automatic identification and data capture community, featuring AIM members, industry group accomplishments, award winners and a spotlight on the latest resources.
