

Syndicate RFID rebrands itself as SIVA IoT

We are delighted to announce that **Syndicate RFID** has been rebranded to **SIVA IoT** (commonly to be known as **SIVA**).

This rebranding allows us to give ourselves a new identity, in-line with the division's expansion into IoT based products. Our commitment to our customers & partners continues to remain our highest priority.

As part of this exciting rebranding effort, we will be adopting new logos that better express our new identity. The colours of our new logo represent the company's environment sustainability initiatives, focusing on Reduce, Re-use & Recycle

Our email address and website will change to a new domain name.
